**Subject:** Spanish labeling pilot pre-brief

---

Jim Jones asked to be briefed on the Spanish Labeling Pilot at the OPP staff meeting on 8/24.  
This Thursday 8/20 at 9:30am is the only time available this week for a pre-brief. Thank you.

The purpose of this meeting is to pre-brief Susan and Jackie about the Spanish labeling pilot that we are planning to roll out in September. FEAD and RD have played and will continue to play an important role in this pilot, so we wanted to have this pre-brief before we brief the rest of the DD's at OPP staff meeting. Thank you.
